Emergency Evacuation Procedures

CARAVAN & CAMPING EMERGENCY EVACUATION PROCEDURES

In the event of an emergency please contact the emergency services by dialling 999. If you haven't got a mobile telephone, and if the park Gift Shop isn't open, there is an emergency telephone in the Golf Clubhouse which can be used. Please follow the signs for the men's shower facilities. This phone is only able to dial 01724 276444 which is the Council Control Centre. The Control Centre will be able to arrange for the emergency services to attend as quickly as possible.

If you call the emergency services directly, please quote the postcode of the site (DN15 9HU). After you have spoken to the emergency services please call 01724 276444 so that park staff can be contacted to attend the emergency if required.

 In the event of a fire, there is a fire bell situated in the paddock.
Please sound the bell to alert any other users of the caravan site.

 Two fire extinguishers are available (see map on site leaflet).
Attempt to tackle the fire **only** if it is safe for you to do so.

 Assemble at the specified point until the fire brigade arrive (see map on site leaflet)
