

COW

Colour me in

I Spy in the Rural Life Museum

While visiting the Rural Life Museum see what you can spy.

I spy with my little eye, these sizes

Something very **big**

Something very small

Find the biggest and smallest things you can

I spy with my little eye, these shapes

something square

A star

something round

I spy with my little eye, these colours

something red

something green

something blue

I spy with my little eye, these animals

horse

pig

cow

I spy with my little eye, this object

Make the noise of the creature which lives here

I spy with my little eye, this train

Which animal is it named after?
